

## Train the model on IBM IBM Cloud Service

Date	15 November 2022
Team ID	PNT2022TMID15942
Project Name	SMART LENDER – APPLICANT CREDIBILITY PREDICTIONF OR LOAN APPROVAL
Maximum Marks	4 Marks

### IBM Account Dashboard

The screenshot displays the IBM Cloud Account Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes a search bar, navigation links for 'Catalog', 'Manage', and 'SANJAY G's Account', and buttons for 'Edit dashboard', 'Upgrade account', and 'Create resource'. The main content area is titled 'Dashboard' and features a 'For you' section with eight recommended actions, each with a 'Getting started' button and a time estimate. The actions include: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'IBM Watson Knowledge Catalog' (Help your data citizens easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud), 'App Connect' (Instantly connect applications, data, heritage systems and modern technologies, even without a single line of code, with IBM App Connect), 'Build a virtual machine' (Lift and shift your VMware workloads to the IBM Cloud), and 'Get started with Discovery' (Get up to speed with Discovery with step-by-step tutorials, deep-dive and complete example working code). Below the 'For you' section, there are four panels: 'News' (Introducing Badges to IBM Cloud Certification, Announcing IBM SevOne Network Performance Management Version 6.4, IBM Named a Leader in Gartner Magic Quadrant for Full Life Cycle API Management, IBM to Introduce a New Incident Management SaaS Offering), 'Recent support cases' (You can view a summary of your support cases here after you submit them. Learn more about how to get support.), 'Planned maintenance' (Clear skies! You can view your scheduled maintenance events here.), and 'IBM Cloud status' (No issues). The bottom of the dashboard shows a weather widget for '84°F Mostly sunny' and a system tray with various icons and the time '02:58 PM 19-11-2022'.
